

PE and Sports Premium Impact Report
Sandgate Primary School
2024-2025

What is the PE and Sports Premium?

The PE and sport premium defines the £320 million of government funding provided to primary schools to support them with making sustainable improvements to the quality of the PE, physical activity and sport offered through their core budgets.

Into its eleventh year, the Primary PE and Sport Premium supports schools to ensure equal access, support all pupils to be active for 60 minutes a day and ensure the delivery of two hours of quality PE for all pupils.

Premium funding should be used to achieve at least one of the following:

- Making additional and sustainable improvements to the PE, sport and physical activity they provide
- Providing or improving equal access to sport for boys and girls
- Ensuring teachers have relevant skills and knowledge to confidently teach PE in a structured way, prioritising continued professional development and training where needed.

The report below outlines the impact the premium has had on pupils at Sandgate Primary School.
