KEYRINGS ON BAGS

Keyrings are an excellent way for children to recognise their bags when many are the same. We kindly ask that children bring **only one keyring** attached to their school bag. If your child has more than one, please remove these and keep them safe at home. Keyrings must remain on your child's bag during the day and not be taken into class. This helps us maintain a safe and distraction-free learning environment for all pupils.

We recommend attaching one keyring which has a ring attachment instead of a clip which can easily come off or be removed.
