

13<sup>th</sup> November 2025

Dear Parent/Carer

You have already given consent for your child to participate in walking trips and this letter is to advise you of a trip on the afternoon of Thursday 20<sup>th</sup> November (weather permitting).

The children in Year 4 will be walking to Sandgate promenade and along to the Leas Lift in Folkestone and back to school along the coast path, as part of a geography field trip to support their learning about how our local area is managing sea defences and rising sea levels.

School uniform is to be worn and sensible footwear (eg. trainers). Please ensure your child has a waterproof coat. The children will be having lunch in school on this day.

If you are able to accompany us on this walking trip, please would you let the office know as soon as possible. Without your support the trip will not be able to go ahead, so we thank you in advance.

Best Wishes

Year 4 Team
