

Dear Ladybirds and Bumblebees,

During the Easter holidays, we would like you to have a go at the activity pack that we have sent home. Try completing a little part each day with a grown up and bring it back into school after the holiday to show us how you got on!

Love Buzz and Lottie

Week beginning 30th March 2026

Dear Parents/Carers,

We can't quite believe that we are at the end of Term 4 already! This year is certainly flying by and the children have continued to impress us with the enthusiasm and determination they have shown throughout all of the learning we have covered over the last six weeks.

This last week in particular we have been very busy! We have continued looking at the story of The Rainbow Fish and we have finished off writing our instructions for how to make our own paper plate Rainbow Fish. We also enjoyed performing poetry and under the sea themed dance moves to each other. In our Maths learning, we have been focusing on forming numerals correctly and drawing the right amount of objects to match a number. In the wider curriculum this week, we focused on matching items to the special place that they belong, in this case a church or a mosque.

Reading Update

As we come to the end of Term 4, we are also coming to the end of Phase 4 within the Animaphonics programme. This could mean that your child has now read of all of the books within the Phase 4 set (11 books in total). Once they have, they will then be given previous books from the set, to practice and go over during the Easter holiday and until we move onto Phase 5a next term. We have also sent an additional activity pack for your child to engage with during the holiday and we would be grateful if you could work through this alongside practicing their sounds and rainbow words. It really does make a huge difference.

Finally, we would be very grateful for continued donations of recycling materials to use for our junk modelling creations. Thank you in advance.

Dates for your diary:
