

Dear Ladybirds and Bumblebees,

We hope that you have an enjoyable and relaxing summer and make lots of wonderful memories! We would love for you to continue your reading over the summer too. You have all got 3 school books to read and the summer is also the perfect time to visit your local library. Keep practising your sounds and Rainbow Words too. You will find all of these included on the back of this newsletter.

Have a great summer!

Love Lottie and Buzz

Week beginning 15th July 2024

Dear Parents/Carers,

It is hard to believe that we have already come to the end of the academic year and your child's first year of school! We would like to take this opportunity to say a huge thank you to each and every one of you for your support this year. We would also like to say the very biggest well done and congratulations to the Ladybirds and Bumblebees for having had such an incredible first year at Sandgate. Their determination and perseverance have impressed us all, along with their kindness and compassion. What great young people they all are, and how lucky we have been to get to know them!

The children continued to work hard right up to the end of the week this week, writing recounts of their choosing, recapping doubles and the composition of numbers up to 10, and making split pin animals.

We finished the term with a little party in the small hall today, with lots and lots of dancing!

We wish you all a relaxing summer break and we are looking forward to welcoming the children back into school on **Tuesday 3rd September**.

Dates for your diaries:

- **Monday 22nd July & Tuesday 23rd July** – Staff Development Days (No children in school)
- **Monday 2nd September** – Staff Development Day (No children in school)
- **Tuesday 3rd September** – Start of Term 1

Have a fantastic summer holiday!
